Manager of Library Access and Technical Services

Oakland Community College is accepting applications for the Manager of Library Access and Technical Services. The position reports to the Dean of Learning Resources. It is responsible for managing circulation, reserves, interlibrary loan, and technical services, and supervising support staff in a multi-campus system. The position serves as the Oakland Community College Project Manager for the Detroit Area Library Network (DALNET). The deadline for applying is **5:00 p.m., April 10, 2015.** This is a full-time 40 hour/week position and is based at the Auburn Hills Campus.

Minimum Qualifications:

- Master's in Library and Information Science or equivalent degree from an American Library Association (ALA) accredited program
- Five (5) years of management or supervisory experience in a library

For more information and to apply for the position, please refer to the OCC website https://oaklandcc.hiretouch.com/job-details?jobID=25668&job=manager-of-library-access-and-technical-services.

All candidates must complete an online application, provide a cover letter, current resume, and include a copy of college transcripts.

Oakland Community College is the largest of Michigan's 28 community colleges. It has more than 100 two-year degree programs and 45 one-year certificate programs. It is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

As an affirmative action/equal opportunity employer, Oakland Community College is seeking candidates who will augment the diversity of its faculty, staff, and administration.
