OVERVIEW

REPOSITORY: Benson Ford Research Center
The Henry Ford
20900 Oakwood Blvd
Dearborn, MI 48124-5029
www.thehenryford.org
research.center@thehenryford.org

ACCESSION NUMBER: RC.2

CREATOR: Henry Ford (Organization). Benson Ford Research Center

TITLE: Research Center Archive Vertical File

INCLUSIVE DATES: Circa 1929-2018

QUANTITY: 56.5 cubic ft. (18 file drawers and 3 boxes)

LANGUAGE: The materials are in English.

ABSTRACT: The Archives Vertical File is an assembled collection containing mainly printed material on a wide variety of subjects related to Henry Ford, Ford Motor Company, and the automobile industry.

ADMINISTRATIVE INFORMATION

- ACCESS RESTRICTIONS:** The collection is open for research.
- TECHNICAL RESTRICTIONS:** Use of original video and audio tapes, floppy disks, and compact discs contained in the collection is restricted. Access may be unavailable due to lack of appropriate software and hardware, or use copies may need to be produced unless otherwise noted. Researchers interested in this material should contact Benson Ford Research Center staff (research.center@thehenryford.org).
- COPYRIGHT:** Copyright for some items in the collection may still be held by their respective creator(s).
- ACQUISITION:** Acquired by The Henry Ford, circa 1929-2018.
- RELATED MATERIAL:** Related material held by The Henry Ford:
- Museum Vertical File
- Edison Institute Vertical File
- PREFERRED CITATION:** Item, folder, box, accession RC.2, Research Center Archives Vertical File, Benson Ford Research Center, The Henry Ford
- PROCESSING INFORMATION:** Collection processed on an on-going basis by staff of The Henry Ford.
- DESCRIPTION INFORMATION:** Finding aid written and maintained by Benson Ford Research Center staff.
- Updated and republished June 2012, April 2016, and May 2018.
- Finding aid prepared using Describing Archives: A Content Standard (DACS) and local guidelines.

SCOPE AND CONTENT NOTE

The Archives Vertical File contains mainly printed material on a wide variety of subjects related to Henry Ford, Ford Motor Company, and the automobile industry.

The bulk of the archives vertical file focuses on Henry Ford and the Ford Motor Company including subjects such as Henry Ford's ancestors and descendants, and other Ford family members; Henry Ford's residences and property such as Fair Lane and Wayside Inn; Henry Ford's friends including Thomas Edison and family; Harvey Firestone and family and other celebrities; Henry Ford's personal interests including automobile racing, aviation, education, historic preservation; Henry Ford Museum & Greenfield Village (now The Henry Ford); soybeans and village industries; Ford Motor Company's activities, anniversaries, buildings, defense production during World War I and World War II, domestic and international plants, divisions, employees, executives, public relations, rubber plantations in Belterra and Fordlandia, and subsidiaries; world's fairs and automobile exhibitions.

Also included is material on other automobile manufacturers both foreign and domestic; the automobile industry's 100th anniversary; famous people in the automobile industry; and modes of transportation such as airplanes, automobiles, bicycles, buses, tractors, and trucks.

ARRANGEMENT

The Archives Vertical File is arranged alphabetically by topic.
